Knowledge, Learning and Resources Hub at Lincoln

The new Knowledge, Learning and Resources Hub opened on the 17th January and is located in the previous Lecture Theatre on the Lincoln site.

The Hub contains study areas and computers and is staffed by the Library and Knowledge Services team Monday to Friday 9-5pm (subject to staff availability).

Access is 24/7 with a Lincoln County Hospital staff ID badge. If you need access out of hours (from 7pm to 7am) then you will need to use the doors opposite entrance 11 and proceed down the corridor to the Hub.

We are very grateful to the United Lincolnshire Hospitals Charity for funding the furniture in the Hub. For more information about the work they do and how to make a request for funding for your department go to: <http://ulhintranet/charitablefunds>
