Building a research agenda for mental health assessments in resolving legal dilemmas on adolescent sexual consent

Ramaswamy S et al

Asian Journal of Psychiatry Bol 66 (Dec) building a research agenda

Mental health support for children and adolescents with hearing loss: scoping review

Scherer N et al

BJPsych Open 8 (1) mental health support

Young age and the risk of violent behaviour in people with severe mental disorders: prospective multicentre study

Micciolo R

BJPsych Open 8 (1) young age

#KidsAnxiety and the digital world

Glover J et al

Child & Adolescent Clinics of North America 31 (1) 71-90

Childhood trauma and psychosis

Dvir Y

Child & Adolescent Clinics of North America 31 (1) 91-98

Desensitization and violent video games

Brockmyer J

Child & Adolescent Clinics of North America 31 (1) 121-132

Covid-19**Impact of SARS-COV-2 infection and implementation of infection prevention and control (IPC) measures on inpatient psychiatric units**

Levitt G et al

Asian Journal of Psychiatry Vol 66 (Dec) impacts of sars

Impact of work routines on parents' and childrens' sleep during the Covid-19 pandemic lockdown

Aishwoeiya E et al

Sleep Medicine Vol 88 (Dec) 61-67

Sleep in times of crises: a scoping review in the early days of the Covid-19 crisis

Simonelli G et al

Sleep Medicine Reviews Vol 60 (Dec) sleep in times of crises

Dissociated profiles of sleep timing and sleep quality changes across the first and second wave of the Covid-19 pandemic

Conte F et al

Journal of Psychiatric Research Vol 143 (Nov) 222-229

Dementia and Alzheimer's Disease**Faecal incontinence and dementia**

Palmer S

British Journal of Community Nursng 26 (12) 594-598

Cannabinoids for agitstion in Alzheimer's Disease

Outen J et al

American Journal of Geriatric Psychiatry 29 (12) 1253-1263

Commentary on above

Goveas J

American Journal of Geriatric Psychiatry 29 (12) 1264-1266

Tau-driven degeneration of sleep- and wake-regulating neurons in Alzheimer's disease

Lew C et al

Sleep Medicine Reviews Vol 60 (Dec) tau-driven degeneration

Depression

Emerging role of microRNAs as novel targets of antidepressants

Manoharan A et al

Asian Journal of Psychiatry Bol 66 (Dec) emerging role

Low-dose ketamine infusion for treating subjective cognitive, somatic and affective depression symptoms of treatment-resistant depression

Chen M et al

Asian Journal of Psychiatry Bol 66 (Dec) low dose ketamine

Dynamics of cognitive action control in late-life depression during action selection

Roy J et al

Journal of Psychiatric Research Vol 143 (Nov) 276-284

Disorders

Causing or inciting sexual activity with persons who have a mental disorder

Griffith R

British Journal of Nursing 30 (21) 1258-1259

Selective serotonin reuptake inhibitors and manic switch: a pharmacovigilance and pharmacodynamical study

Ciray R et al

Asian Journal of Psychiatry Bol 66 (Dec) selective serotonin reuptake

Characterisation of age and polarity at onset in bipolar disorder

Janos K et al

British Journal of Psychiatry 219 (6) 659-669

Impulsivity is related to overhasty risk learning in attention-deficit/hyperactivity disorder: a computational psychiatric approach

Kim M, Seo J
Journal of Psychiatric Research Vol 143 (Nov) 84-90

Increased resting-state brain entropy of parahippocampal gyrus and dorsolateral prefrontal cortex in manic and euthymic adolescent bipolar disorder

Kuang L et al
Journal of Psychiatric Research Vol 143 (Nov) 106-112

Reconsidering research exclusions for serious mental illness: ethical principles, current status and recommendations

Harris J et al
Journal of Psychiatric Research Vol 143 (Nov) 254-261

Centromedial amygdala is more prevalent for phobic confrontation relative to the bed nucleus of stria terminalis in patients with spider phobia

Siminski N et al
Journal of Psychiatric Research Vol 143 (Nov) 268-275

The ambivalence about accepting the prevalence somatic symptoms in PTSD: Is PTSD a somatic disorder?

McFarlane A et al
Journal of Psychiatric Research Vol 143 (Nov) 388-394

Eating Disorders

Anorexia nervosa and pancreatitis

Sarah Hudson-Phillips et al
British Journal of Hospital Medicine 82 (12) Anorexia nervosa and pancreatitis

Adolescent eating disorder risk and the social online world

Saul J et al
Child & Adolescent Clinics of North America 31 (1) 167-177

Too hot to handle: mood states moderate implicit approach vs avoidance tendencies toward food cues in patients with obesity and active binge eating disorder

Krehbiel J et al
Journal of Psychiatric Research Vol 143 (Nov) 302-308

Clinical factors predicting impaired executive functions in eating disorders: the role of illness duration

\\miranda-Olivos R et al
Journal of Psychiatric Research Vol 144 (Dec) 87-95

Intellectual Disabilities
<p>Recognising autism in healthcare Mary Doherty et al British Journal of Hospital Medicine 82 (12) Recognising autism in healthcare</p>
<p>Autism: making reasonable adjustments in healthcare Clair Haydon et al British Journal of Hospital Medicine 82 (12) Autism making reasonable adjustments in healthcare</p>
<p>Covid-19 pandemic impact on psychotropic prescribing for adults with intellectual disability: an observational study in English specialist community services Naqvi D et al BJPsych Open 8 (1)</p>
LGBTQ+
<p>An intersectional approach to understanding LGBTQ+ people of color's access to LGBTQ+ community resilience Parmenter J et al Journal of Counseling Psychology 68 (6) 629-641</p>
<p>The role of moral reasoning and attitudes regarding bisexuality in the development of bisexual counselling competence Monceaux C et al Psychology of Sexual Orientation and Gender Diversity 8 (4) 472-486</p>
<p>Adapting clinical skills to telehealth: applications of affirmative cognitive-behavioral therapy with LGBTQ+ youth Craig S et al Clinical Social Work Journal 49(4)471-483</p>
Mental Health and Physical Activity
<p>None this month</p>
Mindfulness/Wellbeing
<p>Headspace for parents: qualitative report investigating the use of a mindfulness-based app for managing parents stress during Covid-19 Burgess A et al</p>

BJPsych Open 8 (1) headspace for parents

Miscellaneous

An insight into the work of sexual assault referral centres and the role of the forensic examiner

Hand-Oades H
BJN 3 (22) 1296-1302

Bullying

Rettew D
Child & Adolescent Clinics of North America 31 (1) 1-9

Painful bonds: identification with the aggressor and distress among IPV survivors

Intimate partner violence (IPV) is a global health problem that often results in a variety of mental health detriments, including trauma-related distress and depressive symptoms

Lahav U
Journal of Psychiatric Research Vol 144 (Dec) 26-31

Why adults with psychiatric conditions request euthanasia: a qualitative interview study of life experiences, motives and preventive factors

Verjpfstadt M et al
Journal of Psychiatric Research Vol 144 (Dec) 158-167

Professional

None this month

Schizophrenia

Gender differences in attentive bias during social information processing in schizophrenia: an eye-tracking study

Zhu Y et al
Asian Journal of Psychiatry Vol 66 (Dec) gender differences

Repetitive transcranial magnetic stimulation and transcranial direct current stimulation for auditory hallucinations in schizophrenia: systematic review and meta-analysis

Guttesen L et al
Journal of Psychiatric Research Vol 143 (Nov) 163-175

Understanding others as a mediator between verbal memory and negative symptoms in schizophrenia-spectrum disorder

Raucher-Chene D et al

Journal of Psychiatric Research Vol 143 (Nov) 429-435

Role of psychotherapy strategy for the management of patients with Tourette Syndrome – a Bayesian network meta-analysis

Liang j et al

Journal of Psychiatric Research Vol 143 (Nov) 451-461

Activation and deactivation patterns in schizophrenia during performance of an fMRI adapted version of the stroop task

Salgado-Pineda P et al

Journal of Psychiatric Research Vol 144 (Dec) 1-7

Self-harm and Suicide

Suicide prevention in the context of Covid-19: an Indian perspective

Suchandra H et al

Asian Journal of Psychiatry Vol 66 (Dec) suicide prevention

Religiosity as a protective factor for suicidality among inpatients with bipolar disorder

Olmos C et al

Asian Journal of Psychiatry Vol 66 (Dec) religiosity

Perseverative thinking about Suicide Questionnaire (PTSQ): validation of a new measure to assess suicide-specific rumination

Holler I et al

Comprehensive Psychiatry Vol 112 (Jan) perseverative thinking

Sleep disturbance predicts suicidal ideation during Covid-19 pandemic: a two-wave longitudinal study

Wang D et al

Journal of Psychiatric Research Vol 143 (Nov) 350-356

An experimental examination of interpersonal problem-solving in nonsuicidal self-injury: a pilot study

Ammerman B et al

Journal of Psychiatric Research Vol 144 (Dec) 146-150

Sleep health/Disorders

Assessment of subjective sleep quality and issues in aggression: Intermittent Explosive Disorder compared with psychiatric and healthy controls

Hall O, Cocco

Comprehensive Psychiatry Vol 112 (Jan) assessment of subjective sleep

Multidimensional sleep health in a diverse, aging adult cohort: Concepts, advances and implications for research and intervention

Chung J et al

Sleep Health 7 (6) 699-707

How do children and adolescents of separated parents sleep? An investigation of custody arrangements, sleep habits, sleep problems and sleep duration in Sweden

Turunen J et al

Sleep Health 7 (6) 716-722

Towards standard assessments of sleep as an exposure: an initiative for an important research area

Erren T, Lewis P

Sleep Health 7 (6) 187-188

Sleep-wake misperception: a comprehensive analysis of a large sleep lab cohort

Valko P et al

Sleep Medicine Vol 88 (Dec) 96-10

The actigraphic documentation of circadian sleep-wake rhythm dysregulation in myotonic dystrophy type 1

Liguori C et al

Sleep Medicine Vol 88 (Dec) 134-139

Home (Level 2) polysomnography is feasible in children with suspected sleep disorders

Russo K et al

Sleep Medicine Vol 88 (Dec) 157-161

Validation of the geriatric sleep questionnaire

Assessing sleep in later life is essential for diagnosing and treating sleep problems and their consequences

Espirito-Santo H et al

Sleep Medicine Vol 88 (Dec) 162-168

Emotion coping strategies and dysfunctional sleep-related beliefs are associated with objective sleep problems in young adults with insomnia

Ballot O et al

Sleep Medicine Vol 88 (Dec) 180-186

The prevalence and severity of insomnia in university students and their associations with migraine, tension-type headache, anxiety and depression disorders: a cross-sectional study

Correa R et al

Sleep Medicine Vol 88 (Dec) 241-246

Is cognitive-behaviour therapy for insomnia (CBT-I) the new best pain killer?

Tang N

Sleep Medicine Reviews Vol 60 (Dec) cbt for insomnia

Sleep and circadian rhythm actigraphy measures, mood instability and impulsivity: a systematic review

Gillett G et al

Journal of Psychiatric Research Vol 144 (Dec) 66-79

Therapies

Long-term add-on yoga therapy offers clinical benefits in major depressive disorder by modulating the complement pathway: a randomized controlled trial

Subbanna M et al

Asian Journal of Psychiatry Vol 66 (Dec) long term add on
