

# Falls/Frailty Bulletin

## How to obtain an article

If you would like to request any of the latest articles included in this bulletin, or to be put onto the bulletin's distribution list, please contact:  
library.grantham@ulh.nhs.uk

## Articles

### **The Frailty Matters Project**

Constantina Papadopoulou, et al  
BJCN 28 (7) 324–330

### **Frailty 3: supporting people with learning disabilities and frailty**

Jonathan Webster  
Nursing Times 119 (7) 62-67

### **Frailty 4: care settings and digital healthcare during a period of decline**

*How to care for people with frailty during a period of acute crisis associated with acute illness, including the use of digital healthcare tools*

Rushton J et al  
Nursing Times 119 (8) 49-53

### **Preventing falls at home among people with intellectual disabilities: a scoping review**

Doherty A et al  
JARID 36 (4) 70-724

### **Frail patients who fall and their risk on major bleeding and intracranial haemorrhage. Outcomes from the Fall and Syncope Registry**

Zwart L et al  
BMC Geriatrics 23 (1) 422-432

### **Effects of age, sex, frailty and falls on cognitive and motor performance during dual-task walking in older patients**

Piche E et al  
Experimental Gerontology 171 (2023) effects of age

**Is there ubiquitous association between sleep disorder and frailty?**

**Findings from LASI (2017-18)**

Aditi S et al

BMC Geriatrics 23 (1) 429-432

**Use of frailty assessment instruments in nephrology populations: a scoping review**

Kennard A et al

BMC Geriatrics 23 (1) 449-466

**The bidirectional relationship between chronic joint pain and frailty: data from the Investigating Musculoskeletal Health and Wellbeing cohort**

Chaplin W et al

BMC Geriatrics 23 (1) 273-283

**Technologies for frailty, comorbidity and multimorbidity in older adults: a systematic review of research designs**

Gallucci A et al

BMC Medical Research Methodology 23 (1) 166-182

**Classifying unstable and stable walking patterns using electroencephalography signals and machine learning algorithms**

Soangra R et al

Sensors 23 (13) classifying unstable and stable walking patterns

**Sarcopenia, frailty and fall risk-narrative review**

Chen Chen D et al

International Journal of Gerontology 17 (3) 149-152

**Multimorbidity and prior falls correlate with risk of 30-day hospital readmission in aged 80+: a prospective cohort study**

Tsai Y et al

Journal of the Formosan Medical Association epub multimorbidity

**Frailty, falls and poor functional mobility predict new onset of activity restriction due to concerns about falling in older adults: a prospective 12-month cohort study**

Ellmers T et al

European Geriatric Medicine 14 (2023) 345-351

### **Library Services**

**Website:** <https://www.nhslincslibrary.uk/>

### **Register for a NHS OpenAthens account**

Register for a NHS OpenAthens account via the following link: <https://openathens.nice.org.uk/>

### **KnowledgeShare**

Sign up to KnowledgeShare and we will send out regular emails alerting you to the latest evidence on a particular topic. To sign up, please click on the following link: <https://www.nhslincslibrary.uk/knowledgeshare-request/>

### **Evidence Searching Training**

If you need evidence, we can provide training on how to search the healthcare databases and resources. We can also show you how to appraise the information that you find. To book a training session please contact [clinical.libarian@ulh.nhs.uk](mailto:clinical.libarian@ulh.nhs.uk). More information can be found at: <https://www.nhslincslibrary.uk/training/>

### **Online Resources**

**BMJ Best Practice** is available to all NHS staff. This clinical decision support tool provides step-by-step guidance on diagnosis, prognosis, treatment and prevention of a wide variety of conditions.

Available from: <https://bestpractice.bmj.com/oafed>

**ClinicalKey** is a database which supports healthcare professionals by providing access to the latest evidence across specialties.

Available from: <https://www.clinicalkey.com/>
