#### **Delayed Discharges in Scottish NHS signal wider challenges**

Delays in discharging patients are costing NHS Scotland an estimated £440m in hospital delays alone, but the full financial impact wider on the health and social care system has yet to be quantified, public spending watchdogs have warned.  
Public Finance, Rachel Wilcox, 8 January 2026

### **UK state requires “complete rewiring” says Darren Jones**

Chief Secretary to the Prime Minister Darren Jones has called for the creation of a state that can “move fast and fix things” at an event designed to showcase the government’s plans for the digital transformation of public services.

Public Finance, Christian Doherty, 22 January 2026

## **Capital Investment & Infrastructure**

### **Understanding preventative investment: how to map and measure spend**

Prevention is now central to every conversation about the future of public services, but without a clear picture of current investment, it is difficult to know the scale of change required. CIPFA’s report Understanding preventative investment: a practical approach to map and measure spend which launched in October 2025 offers a practical way to understand prevention spend across the building blocks of health. Webinar details to [register](#).

### **Assessing the finances of NHS subsidiary companies ("subcos")**

This report reviews the business models and profitability of NHS subsidiary companies and found that most are not generating any significant level of external income despite running for several years.

Trinava Consulting, 21 January 2026

Available from: [Assessing the finances of NHS Subcos Jan26](#)

### **Market Failure. How the under-regulated market in NHS funded ADHD services impacts patients and the finances of the NHS.**

This briefing note sets out an overview of how the large majority of NHS patients are assessed and treated for ADHD in England.

CHPI, David Rowland, 12 January 2026

Available from: [Market failure. How the under-regulated market in NHS funded ADHD services impacts patients and the finances of the NHS. — Centre for Health and the Public Interest](#)

### **Costs of Clinical Negligence**

The report finds that the government's liability for clinical negligence quadrupled over 20 years.

House of Commons Committee of Public Accounts, 30 January 2026

Available from: [Costs of clinical negligence](#)

## Funding & Financial Frameworks

### **How does health care funding in England work?**

Frequently asked questions about funding flows and allocations in the English health care system.

House of Commons Library, Sonja Stiebal, 13 January 2026
