<p>Overcoming barriers to autistic silent health care: towards autism-friendly practices Johnson M British Journal of General Practice 72 (719) 255-256</p>
<p>A full CIRCLE: inclusion of autistic doctors in the Royal College of Psychiatrists' values and Equality Action Plan McCowan S et al BJPsych 221 (1) 371-373</p>
<p>Developmental variability in autism across 17000 autistic individuals and 4000 siblings without an autism diagnosis: comparisons by cohort, intellectual disability, genetic etiology and age at diagnosis Kuo S et al JAMA Paediatrics developmental variability</p>
<p>Pharmacotherapy of Attention-Deficit/Hyperactivity Disorder in individuals with Autism Spectrum Disorder Joshi G, Wilens T Child & Adolescent Clinics of North America 31 (3) 449-468</p>
<p>Evaluating the success of early detection of autism: it's time to move beyond the median Sheldrick C Journal of the American Academy of Child & Adolescent Psychiatry 61 (7) 860-861</p>
<p>Progress and disparities in early identification of Autism Spectrum Disorder: Autism and Developmental Disabilities Monitoring Network 2002-2016 Shaw K et al Journal of the American Academy of Child & Adolescent Psychiatry 61 (7) 905-914</p>
Bereavement and grief

Associations of dimensions of anger with distress following traumatic bereavement

Lonneke I et al

Psychological Trauma: theory, research, practice & policy May 2022

'I no longer feel alone': meeting the needs of bereaved grandparents through a children's hospice support group

Tatterton M et al

International Journal of Palliative Nursing 28 (5) 193-201

Impact of resilience and social support on long-term grief in cancer-bereaved siblings: an exploratory study

Rasouli O et al

BMC Palliative Care 21 (1) 1-8

Silence and sounds: an autoethnography of searching for spirituality during suicide bereavement in life and research

Cepulienė A

Religions 13 (6) silence and sounds

Child and Adolescent Issues

The effect of perfectionism on test anxiety and the mediating role of sense of coherence on adolescent students

Zhao M et al

Journal of Affective Disorders Vol 310 (Aug) 142-149

Parental and community risk factors for childhood self-harm thoughts and behaviours

O'Hare K et al

Journal of Affective Disorders Vol 310 (Aug) 279-283

Positive valence systems in youth anxiety development: a scoping review

Sequeira S et al

Journal of Anxiety Disorders Vol 89 (June) positive valence systems

Dementia and Alzheimer's Disease

An exploration of subgroups of neuropsychiatric symptoms in mild cognitive impairment and their risks of conversion to dementia or death

Qiu J et al

American Journal of Geriatric Psychiatry 30 (8) 925-934

Quality of life predictors in patients with Alzheimer's disease dementia

Dolis L et al

Bulletin of Integrative Psychiatry 28 (2) 61-76

New treatment aimed at preventing Alzheimer's Dementia

Kverno K

Journal of Psychosocial Nursing & Mental Health Services 60 (5) 11-14

Depression

Intensive rTMS for treatment-resistant depression patients with suicidal ideation\; an open-label study

Wang Q et al

Asian Journal of Psychiatry 74 (Aug) intensive rTMS

Predicting relapse or recurrence of depression: systematic review of prognostic models

Moriarty A et al

BJPsych 221 (2) 448-458

Changes in brain function during negative emotion processing in the long term course of depression

Enneking V et al

BJPsych 221 (2) 476-484

Green tea consumption and risk of depressive symptoms: results from the TCLCIH cohort study

Dong Z et al

Journal of Affective Disorders Vol 310 (Aug) 183-188

Information technology-based versus face to face cognitive behavioural therapy for anxiety and depression: a systematic review and meta-analysis

Chow D et al

Journal of Affective Disorders Vol 310 (Aug) 429-440

Disorders

Gray matter abnormalities and associated familial risk endophenotype in individuals with first-episode bipolar disorder: evidence from whole-brain voxel-wise meta-analysis

Long J et al

Asian Journal of Psychiatry 74 (Aug) gray matter

Complex post-traumatic stress disorder

Andreas Maercker et al

Lancet 400 (10345) 60-72

Measurement informed care in Attention-Deficit/Hyperactivity Disorder (ADHD)

Weiss M, Stein M

Child & Adolescent Clinics of North America 31 (3) 363-372

Nonstimulant treatments for ADHD

Newcorn J et al
Child & Adolescent Clinics of North America 31 (3) 417-435

The dose-effect association between acupuncture sessions and its effects on major depressive disorder: a meta-regression of randomized controlled trials

Xu G et al
Journal of Affective Disorders Vol 310 (Aug)318-327

Implicit approach and avoidance motivational changes in GAD patients treated with emotion regulation therapy

Quintero J et al
Journal of Behavioral and Cognitive Therapy 32 (2) 151-156

Relaxation of the criteria for entry to the UK Clozapine Central Non-Rechallenge Database: a modelling study

Oloyede E et al
Lancet Psychiatry 9 (8) 636-644

Eating Disorders

Which dimensions of emotion dysregulation predict the onset and persistence of eating disorder behaviours? A prospective study

McClure Z et al
Journal of Affective Disorders Vol 310 (Aug) 123-128

Hasty decision-making in individuals at higher risk of developing an eating disorder

The Jumping to Conclusions (JTC) bias is the tendency to make hasty decisions based on limited evidence and may contribute to the formation of over-valued beliefs about the importance of weight, shape and eating

Balzan R et al
Journal of Behavior Therapy & Experimental Psychiatry Vol 75 (June) hasty decision making

Intellectual and Learning Disabilities

Exploring clinical decision making in Learning Disability nursing

Anim M
Nursing Times 119 (7) 34-37

Conceptualizing the impact of moral case deliberation: a multiple-case study in a health care institution for people with intellectual disabilities

De Snoo-Trimp J et al
BMC Medical Ethics 23 (1) conceptualizing the impact

How do specific learning disabilities affect time and risk preferences of college students?

Elisha D et al

Journal of Neuroscience, Psychology and Economics 15 (1) 54-68

Transitions for older people with learning disabilities and behaviours that challenge others, and their family carers: a merged protocol for two rapid scoping reviews of evidence

Tilley E et al

Systematic Reviews 11 (1) 1-9

LGBTQIA+

The affective consequences of minority stress among bisexual, pansexual, and queer (Bi+) adults: a daily diary study

Feinstein B et al

Behavior Therapy 53 (4) 571-584

The ABCDE+ of understanding your lesbian, gay, bisexual, transgender or queer + (LGBTQ+) child

Uchenna L. Umeh

Journal of the National Medical Association 114 (3) S28

Circumstances of suicide among lesbian, gay, bisexual and transgender individuals

Patten M et al

Journal of Surgical Research Vol 270 (Feb) 522-529

Mindfulness/Wellbeing

Mindfulness-based online intervention for mental health during times of Covid-19

Alvarado-Garcia P et al

Indian Journal of Psychiatry 64 (3) 264-268

Self-reported mindfulness accounts for the effects of mindfulness interventions and nonmindfulness controls on self-reported mental health: a preregistered systematic review and three-level meta-analysis of 146 randomized controlled trials

Tran U et al

Psychological Bulletin 148 (1-2) 86-106

The impact of baseline mindfulness scores on mindfulness-based intervention outcomes: toward personalized mental health interventions

Vergara R et al

Frontiers in Psychology Vol 13 (July) baseline mindfulness

Daily mindfulness training reduces negative impact of Covid-19 news exposure on affective well-being

Kam J et al

Psychological Research 86 (4) 1203-1214

Miscellaneous

Every decision about me, without me: the tyranny of the multidisciplinary team meeting in mental healthcare

Brunet M
BMJ 377 (8341) every decision

PREVENT: the role of mental health nurses in counter-terrorism programmes

Toni Carrington and Hayley Cushing
Nursing Times 118 (7) 22-25

The Lawn Hospital, Lincoln and Dr Robert Gardiner Hill – psychiatry in pictures

(a very short article of local interest)

Mindham R et al
BJPsych 221 (2) 503-504

Professional

Proposed Assisted Dying Bill: implications for mental healthcare and psychiatrists

Kamaldeep B, Gin M
BJPsych 221 (1) 374-376

The recording of mental health consultations by patients: clinical, ethical and legal considerations

Hewson T et al
BJPsych Bulletin 46 (3) 133-137

The Royal College of Psychiatrists' Leadership and Management Fellow Scheme

Till A et al
BJPsych Bulletin 46 (3) 168-173

Psychiatric leadership development in postgraduate medical education and training

Till A et al
BJPsych Bulletin 46 (3) 174-181

'Choose Psychiatry' goes virtual: experiences and learning from the online 2020 National Psychiatry Summer School

Vinchenzo P et al
BJPsych Bulletin 46 (3) 181-187

Schizophrenia

Metabolic syndrome and cardiovascular risk between clozapine and non-clozapine antipsychotic users with schizophrenia

Quek Y et al

Asian Journal of Psychiatry 74 (Aug) metabolic syndrome

Impulsive and aggressive traits and increased peripheral inflammatory status as psychobiological substrates of homicide behavior in schizophrenia

Balcioglu Y et al

European Journal of Psychiatry 36 (3) 207-214

Self-harm and Suicide

Suicide and other causes of death among working-age and older adults in the year after discharge from in-patient mental healthcare in England: matched cohort study

Musgrove R et al

BJPsych 221 (2) 468-475

Identity, self-blame and body regard in NSSI (non-suicidal self-injury): a test of moderated-mediation

Kruzan K et al

Comprehensive Psychiatry Vol 116 (July) identity

Personality factors associated with suicidal ideation, plans and attempts in adolescents

McCallum S et al

Journal of Affective Disorders Vol 310 (Aug)135-141

Suicidal ideation in remitted major depressive disorder predicts recurrence

Heuschen C et al

Journal of Psychiatric Research Vol 151 (July) 65-72

Intimate partner violence, suicidality and self-harm: a probability sample survey of the general population in England

McManus S et al

Lancet Psychiatry 9 (7) 574-583

Sleep health/Disorders

Outcomes from the transdiagnostic sleep and Circadian Intervention (TransS-C) for midlife and older adults with serious mental illness and sleep and circadian dysfunction

Sarfan L et al

Behavior Therapy 53 (4) 585-599

What is the right drug for insomnia disorder?

Myrto T Samara

Lancet 400 (10347) 139-141

Comparative effects of pharmacological interventions for the acute and long-term management of insomnia disorder in adults: a systematic review and network meta-analysis

Franco De Crescenzo et al
Lancet 400 (10347) 170-184

Attention Deficit Hyperactivity Disorder medications and sleep

Stein M et al
Child & Adolescent Clinics of North America 31 (3) 499-514

Therapies/OT in mental health

Effectiveness of cognitive-behavioural therapies of varying complexity in reducing depression in adults: systematic review and network meta-analysis

Angelakis I et al
BJPsych 221 (2) 459-467

Do patients' mood and gender affect the way we deliver CBT? An experimental, vignette-based study of the relevance of patient and clinician characteristics

Hernandez H et al
Journal of Behavior Therapy & Experimental Psychiatry Vol 75 (June) patients mood
