

LibKey Nomad

The LibKey Nomad browser extension gives you links to the full range of available content when searching Google, PubMed, primary publishers, aggregators, open access alternatives and more.

To install LibKey Nomad on the browsers on your own devices go to:

<https://thirdiron.com/downloadnomad/>

Scroll down to the end of the page to find the download options for Chrome, Edge, Firefox, Brave and Vivaldi.

For example on Firefox it looks like this.

LibKey Nomad
by **Third Iron LLC**

One-click access to millions of scholarly articles. [Add to Firefox](#)

⚠ This add-on is not actively monitored for security by Mozilla. Make sure you trust it before installing. [Learn more](#)

Firefox Add-on Permissions Dialog:
Add LibKey Nomad? This extension will have permission to:
• Access your data for all web sites
• Access browser tabs
[Learn more](#)
[Add](#) [Cancel](#)

Once you have selected to add the extension then a message will appear. Click on Add.

Please see the [information](#) from Third Iron on what websites the extension will be activated on.

After installation LibKey Nomad prompts you to select your NHS organisation.

Once selected the green box will appear and your organisation will show at the top.

See below for how the extension will show on the relevant websites.

LibKey Nomad
Discovery starts everywhere.

LibKey Nomad connects your library's resources with scholarly articles you find in [PubMed](#), [Wikipedia](#) and hundreds of [Scholarly Publisher Websites](#).

The screenshot shows the ScienceDirect interface for an article. At the top, there are navigation options: 'View PDF', 'Access through your institution', and 'Purchase PDF'. The article title is 'Hypertension' from 'THE LANCET', Volume 386, Issue 9995, 22-28 August 2015, Pages 801-812. The authors listed are Prof Neil R Poulter FMedSci, Prof Dorairaj Prabhakaran DM, and Prof Mark Caulfield FMedSci. Below the authors is a 'Show more' dropdown and sharing options for Mendeley, Share, and Cite. A dark blue button labeled 'Article Link' with the United Lincolnshire Hospitals NHS Trust logo is positioned at the bottom left of the article content area. An arrow points from the text below to this button.

When on a publisher's website click on the **Article Link** icon to check if there is access to the article.

If you are not already signed into your NHS OpenAthens account on your browser then you may be prompted to enter your username and password.

If you do not have a NHS OpenAthens account then you can self-register for one here: <https://openathens.nice.org.uk>

If you have any questions then please contact your local NHS library. Details can be found here: <https://www.nhslincslibrary.uk/my-library/>
