New collection of Medicine and Nursing journals

WILEY

Medicine & Nursing Journal Collection

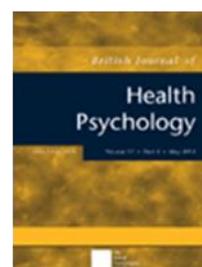

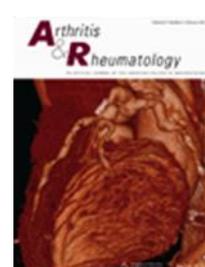

You have access to reliable, authoritative healthcare research

Access all the critical information you need to deliver the best outcome for your patients. Featuring a range of over 370 titles that are amongst the best in their field, this collection provides the latest and best research and information across a broad spectrum of critical healthcare issues.

We are pleased to share a new collection of Medicine and Nursing journals from Wiley publishers.

The collection includes:

- Academic Emergency Medicine
- Allergy
- Anaesthesia
- Arthritis & Rheumatology
- BJOG
- BJU International
- British Journal of Health Psychology
- British Journal of Pharmacology
- Journal of Advanced Nursing
- Journal of Clinical Nursing
- Journal of Hospital Medicine
- Liver International
- Psychiatry and Clinical Neurosciences

To access these journals, go to <https://browzine.com/libraries> and enter your NHS Trust in the "SEARCH LIBRARY NAMES" box. You'll need an OpenAthens account to view the journals in full. If you don't have one, you can register at <https://openathens.nice.org.uk/>

Spring 2025 library training dates

We've finalised our training dates for Spring 2025:
<https://www.nhslincslibrary.uk/training-calendar/>

The Library and Knowledge Services team offers training courses to enable you to find and evaluate information and evidence more effectively.

We also offer 1:1s and tailored team training sessions, if the dates/times of our training sessions is not convenient.

To find out more about our training offer, or to request a 1:1 or team training session, please visit:

ClinicalKey session for Pharmacists & Non-Medical Prescribers

Our partners at ClinicalKey are offering a 45 minute webinar for pharmacy staff and non-medical prescribers on Tuesday 20th May 12.15-1pm. ClinicalKey is a resource discovery tool providing access to e-books, journal articles, guidelines and other useful resources to support your role caring for our patients.

During the session, we will highlight:

- How to use **ClinicalKey for Research** (subscribe to favourite journals, save content, create PowerPoint presentations direct from ClinicalKey, etc.)
- How to use **ClinicalKey at the Point of Care** (Solve questions in between consultations with the Clinical Overviews and Clinical Calculators, use Patient Education in different languages, access drug monographs, etc.)

ELSEVIER

Join the Lincolnshire NHS book club!

The Lincolnshire NHS system-wide book club is a friendly and relaxed online group who discuss one book each month.

We also have a Teams channel where we chat about books throughout the month.

If you'd like to be added to the channel and have the link for the next book club please contact:
Sophie Wilson
(Sophie.wilson9@nhs.net) or
Lesley Wilkins
(Lesley.wilkins2@nhs.net)

And finally... a HUGE welcome to our newest member of the team!

Carrie Nicholson has joined the Library and Knowledge Services as a Library and Information Advisor at the Staff Library Pilgrim Hospital.

Carrie already works for ULTH and joins us from the Therapies Team where she was the Admin Team Lead across the Trust.

We are delighted that she has joined our team!
