New Book added to Library Stock for loan

Speaking up in a culture of silence: changing the organization activity from bullying and incivility to one of listening and productivity

Author: David Naylor. 2023

Articles

[Making more nurses, one minute at a time: an efficiency and quality improvement project in emergency triage](#)

The article describes the project, which used lean management principles and statistical process control methods, and discusses its implications for emergency triage.

Emergency Nurse, 31 (4) July 2023

[Building a sustainable healthcare workforce through innovative social partnerships](#)

On 30 June 2023, NHS England (2023) published the first comprehensive, long-term NHS workforce plan.

British Journal of Healthcare Management Vol. 29, No. 7 pp. 159-161

[Barriers to reporting sexual harassment in healthcare settings: a literature review](#)

This study aimed to explore the reasons why healthcare professionals may not report their experiences of sexual harassment, as documented in peer-reviewed literature.

British Journal of Healthcare Management Vol. 29, No. 7 pp. 191-197

[The place of charity in a public health service: Inequality and persistence in charitable support for NHS trusts in England](#)

Charitable fundraising for healthcare provision in the UK is long established. Voluntary hospitals, initially funded by charitable donations, were the principal providers of nonpsychiatric healthcare for the acutely ill before the creation of the National Health Service (NHS) in 1948 and were centres for research and teaching

Social Science & Medicine 322 (2023) 115805

[Evaluating quality improvement at scale: A pilot study on routine reporting for executive board governance in a UK National Health Service organisation](#)

Quality improvement (QI) in healthcare is a cultural transformation process. We explored how routine reporting could be developed to aid visibility of the process for QI governance.

Evaluation and Program Planning Vol 97, April 2023, 102222

[Building a vision for strategic healthcare communications](#)

A guide to improving population health and patient activation using AI communications initiatives.

[A picture of health? Examining the state of leadership and management in healthcare](#)

<https://www.smf.co.uk/wp-content/uploads/2023/07/A-picture-of-health-July-2023.pdf>

In this report, we examine the role that better leadership and management can play in both lifting up the tail of under-performing healthcare providers and fostering more “outstanding” healthcare providers

Social Market Foundation, July 2023

[All is not well: Sickness absence in the NHS in England | Nuffield Trust](#)

Billy Palmer and Lucina Rolewicz draw on published data to explore the trends in, reasons for, and impact of sickness absence in the NHS.

Nuffield Trust, 29th June 2023

[Migration and the health and care workforce](#)

<https://migrationobservatory.ox.ac.uk/wp-content/uploads/2023/06/MigObs-ReWage-Evidence-Paper-Migration-and-the-health-and-care-workforce.pdf>

This Evidence Paper examines the role of migration and the impacts of immigration policy on the UK’s health and care workforce. It is part of a series of briefings by the Migration Observatory with ReWAGE.

27th June 2023

[How does the NHS compare to the health care systems of other countries?](#)

<https://www.kingsfund.org.uk/publications/nhs-compare-health-care-systems-other-countries>

The King's Fund, 26th June 2023

NHS Long Term Workforce Plan June 2023

<https://www.england.nhs.uk/wp-content/uploads/2023/06/nhs-long-term-workforce-plan-v1.1.pdf>
