Omega Journal of Death and Dying 90 (1) 120-142

Grief experiences of families of individuals who died due to Coronavirus Disease-19: a qualitative study

Kus B et al
Omega Journal of Death and Dying 90 (2) 692-709

Examining the basic assumption of psychoanalytic theory regarding normal and abnormal grief: roles of unfinished businesses and bereavement related guilt

Keser E et al
Omega Journal of Death and Dying 90 (2) 783-804

Child and Adolescent Issues

My friends made me do it: peer influences and different types of vaping in adolescence

Skinner A et al
Addictive Behaviors 159 (Dec) 108128

Sibling bullying victimization and subjective well-being among children across 13 countries: the mediating roles of perceived social support and the moderating role of uncertainty avoidance culture

Liz et al
Child Abuse and Neglect 157 (Nov) 107021

Why do prospective and retrospective measures of childhood maltreatment differ? Qualitative analyses in a cohort study

Coleman O et al
Child Abuse and Neglect 157 (Nov) 107070

Development of a Patient Guidebook for Inpatient Child and Adolescent Psychiatry Units

Khoury O et al
Child & Adolescent Psychiatric Clinics of NA 34 (1) 25-37

Dementia and Alzheimer's Disease

Diagnosis and management of dementia in older people

Connor J, Baytree H
Medicine 52 (11) 667-670

Alzheimer Disease – what's in a name?

Petersen E et al
JAMA Neurology online first Alheimers Disease

Frailty trajectories preceding dementia in the US and UK

Ward D et al
JAMA Neurology online first frailty trajectories

The amyloid clock: mapping Alzheimer's disease in Down syndrome⁴

Rafii M
Lancet Neurology 23 (12) 1173-1174

Passive anti-amyloid β immunotherapy in Alzheimer's disease—opportunities and challenges

Michael T Heneka et al
Lancet 404 (10468) 2198-2208

Depression/Depressive Disorders

Loneliness and depression in older adults: living well in older age

Bandyopadhyay S
Medicine 52 (11) 719-724

Effectiveness, cost-effectiveness and positive externalities of integrated chronic care for adults with major depressive disorder in Malawi (IC3D): a stepped-wedge, cluster-randomised, controlled trial

McRain R et al
Lancet 404 (10465) 1823-1834

Optimal dose and type of exercise to improve depressive symptoms in older adults: a systematic review and network meta-analysis

Tang L
BMC Geriatrics 24 (1) 505

Transforming depression care with artificial intelligence

AlSamhon J et al
Asian Journal of Psychiatry 101 (Nov) 104235

Disorders

Quantifying body size estimation accuracy and body dissatisfaction in body dysmorphic disorder using a digital avatar

Karsan S et al
Comprehensive Psychiatry 135 (Nov) 152529

Are circadian rhythms more favourable with lithium than with other mood stabilizers? An exploratory actigraphy study in euthymic bipolar disorder type 1

Hennion V et al
Comprehensive Psychiatry 135 (Nov) 152531

<p>Delirium in older adults Anand A, MacLulich A Medicine 52 (11) 671-676</p>
<p>Advancing psychosocial treatment for Body Dysmorphic Disorder: a State-of-the-science review Jonathan G et al Behavior Therapy 55 (6) 1249-1288</p>
<p>Is too much insight bad for you? <i>Insight in psychosis is associated with reduced psychotic symptom severity, less coercive treatment and better functioning. Controversially, it has been suggested that insight may lead to depression, higher suicide risk and worse self-perceived quality of life. Future clinical trials are warranted to address this 'insight paradox', particularly the direction of causality.</i> Anthony D et al BJPsych 225 (4) 454-457</p>
<p>Eating Disorders</p>
<p>Symptoms of depression, eating disorders and binge eating in adolescents with obesity: the fast track to health randomized clinical trial Jebeile H et al JAMA Pediatrics 178 (10) 996-1005</p>
<p>Does 24/7 care result in better outcomes for adults with eating disorders? A comparison of inpatient/residential care to partial hospitalization/intensive outpatient care for patients at low BMI's Rienecke R et al Journal of Eating Disorders 12 (1) 1-8</p>
<p>The role of eco-anxiety in the presentation of bulimia nervosa: a case report Runfola C et al Journal of Eating Disorders 12 (1) role of eco-anxiety</p>
<p>Disordered eating and lifestyle studies Goncalves S et al Nutrients 16 (20) 3450</p>
<p>Forensic Psychiatry/Psychology</p>
<p>Filicide and criminal justice outcomes: are maternal and paternal perpetrators treated differently? Johnson A, Dawson M Child Abuse and Neglect 157 (Nov) 107019</p>
<p>A comparative analysis of public educational needs in the rehabilitative care of individuals who have committed serious criminal offences: a cross cultural study</p>

<p>Courtney Hammond et al Forensic Science International Mind and Law 15 (2024) 100130</p>
<p>The effectiveness of interventions for offending behaviours in adults with autism spectrum disorders (ASD): a systematic PRISMA review Salter J et al BMC Psychology 12 (1) interventions</p>
<p>Beyond Auto-Brewery: why dysbiosis and the legalome matter to forensic and legal psychology Logan A et al Laws 13 (4) 46</p>
<p>Personality assessment inventory (PAI) in forensic and correctional settings: a comprehensive review Paulino M et al Journal of Forensic and Legal Medicine 103 (2024) PAI</p>
<p>LGBTQ+</p>
