

Physiotherapy Bulletin

How to obtain an article

If you would like to request any of the latest articles included in this bulletin, or to be put onto the bulletin's distribution list, please contact:
library.grantham@ulh.nhs.uk

Articles

Acupuncture

Research hotspots and trends on acupuncture treatment for headache: a bibliometric analysis from 2003-2023

Shun Zhao et al

Frontiers in Neuroscience 18 (2024 research hotspots)

Efficacy of knee osteoarthritis by use of laser acupuncture: a systematic review and meta-analysis

Rong Han et al

Medicine 103 (25) 1-20

Back, Neck and Shoulder Pain

Cognitive behavioural interventions led by a physiotherapist in chronic non-specific low back pain: a systematic review and meta-analysis

Veillon J et al

Journal of Bodywork & Movement Therapies 39 (July) 635-644

Factors predicting long-term outcomes following physiotherapy in patients with subacromial pain syndrome: a secondary analysis

Kromer T et al

BMC Musculoskeletal Disorders 25 (1) 1-14

Effect of proprioceptive neuromuscular facilitation versus low level laser therapy on shoulder adhesive capsulitis post-neck dissection shoulder

Mohammed Shams et al

Physiotherapy Quarterly 32 (1) 111-116

Effects of comprehensive physiotherapy compared with routine physiotherapy on pain and function in patients with subacromial pain syndrome: a randomized clinical trial with 6-month follow-up

Nazary-Moghadam S et al

Journal of Bodywork & Movement Therapies 40 (Oct) 270-278

Falls Prevention/Frailty/Older People

There is a Falls and Frailty bulletin – if you would like to receive this let us know and we will add your name to the mailing list.

Multiple Sclerosis / Parkinson's Disease

Assessing impaired bed mobility in patients with Parkinson’s disease: a scoping review

Taniguchi S et al

Physiotherapy 124 (Sept) 29-39

Factors influencing physiotherapy decisions between restorative and compensatory gait rehabilitation: an Italian multicentre study

Fabiola G et al

Frontiers in Neurology 15 (2024) factors

What are the effects of aquatic physiotherapy exercises on speed and complex gait-related activities in individuals with Parkinson’s disease?

Journal of Bodywork & Movement Therapies 40 (Oct) 88-92

Tango and physiotherapy interventions in Parkinson’s disease: a pilot study on efficacy outcomes on motor and cognitive skills

Guiseppe Rabini et al

Scientific Reports 14 (1) 1-16

An observational study of respiratory dysfunction in Parkinson’s disease at a tertiary care hospital in Delhi

Ali AS et al

Journal of Internal Medicine 12 (2) 103-107

Establishing the reliability of the Ste Test Evaluation of Performance on Stairs (STEPS) in multiple sclerosis

Monaghan P et al

Archives of Physical Medicine & Rehabilitation 105 (8) 1490-1497

Two-minute standing endurance test for axial postural abnormalities in patients with Parkinson’s disease

Kondo Y et al

KnowledgeShare

Sign up to KnowledgeShare and we will send out regular emails alerting you to the latest evidence on a particular topic. To sign up, please click on the following link: <https://www.nhslincslibrary.uk/knowledgeshare-request/>

Evidence Searching Training

If you need evidence, we can provide training on how to search the healthcare databases and resources. We can also show you how to appraise the information that you find. To book a training session please contact clinical.librarian@ulh.nhs.uk. More information can be found at: <https://www.nhslincslibrary.uk/training/>

Online Resources

BMJ Best Practice is available to all NHS staff. This clinical decision support tool provides step-by-step guidance on diagnosis, prognosis, treatment and prevention of a wide variety of conditions.

Available from: <https://bestpractice.bmj.com/oafed>

ClinicalKey is a database which supports healthcare professionals by providing access to the latest evidence across specialties.
